Rosebud

“We’re growing together”

Welcome to Rosebud Preschool located in Presbyterian Church of the Roses.

Our facility was designed to serve the needs of young children:

- **Convenient access** from the parking lot makes for a safe arrival and departure of young children.
- The “**child-friendly** bathrooms” help with toilet learning.
- Our open, **airy classroom** is large enough to accommodate a variety of activities.
- The location of the **playground provides opportunities** to move easily between daily indoor and outdoor activities.
- Optional **Pre-K Enrichment Program** is included.

Our Philosophy

*At Rosebud Preschool
our goal is to provide
a loving, safe,
and developmentally appropriate
environment for children
to grow,
to learn,
and to discover
the world around them.*

- ♥ We believe that the preschool experience should be affirming, positive and cheerful.
- ♥ We believe that children deserve the opportunity to grow and develop at their own pace through a variety of educationally appropriate activities.

Our Staff

Our staff has many years of teaching experience. The teachers meet the California licensing requirements in Early Childhood Education. “We provide a loving and supporting atmosphere for children in which to grow, learn and discover the world around them.”
