Shower of Stoles ALL CHURCH PICNIC

DON'T MISS IT!
**The Shower of Stoles
Project will be on display
Sunday, June 14th, in our sanc-
tuary. The Rev. Dr Jane Spahr will
be preaching! The All Church Picnic
is after worship.**

The Shower of Stoles is a collec-
tion of over a thousand liturgical
stoles and other sacred items repre-
senting the lives of gay, lesbian,
bisexual and transgender people of faith. This
extraordinary collection celebrates the gifts of
LGBT persons who serve God in countless ways,
while also lifting up those who have been excluded
from service because of their sexual orientation or
gender identity.

A Spiritual Spring has Sprung at the Church of the Roses!

Our church is experiencing a spiritual revival! I can feel it and many church members have expressed their affirmation of this as well! We are revitalizing and feeling so hopeful for the future!

To keep this flow of the Spirit going it takes EVERYONE's participation! There are 4 ways YOU can help us continue to grow and flourish:

1. We need prayers from all but especially from our homebound who don't make it to church much or at all. Praying for the blossoming of our church will make a big difference in our future growth and ability to meet the needs of our community!
2. By giving an extra boost to our budget YOU will help us greatly! We have so many exciting Spirit-led ideas for new programs and projects and ways to sustain our current successful programs, but – we need your financial help to help expand our church's reach into the community and to our church family in need. Christ's love is powerful but we

need finances and participation to follow through with our ministry.

3. Showing up to worship, Bible studies, and programs AND offering to help in some way through phone calls, making food, putting out fliers, working in our front office, or other creative ways of volunteering, gives us all hope and happiness. The more we get together the happier we will be!

4. Nominating yourself or others for leadership in the church. This church has a history of great leaders but we need YOU, too! If you haven't served as an elder or a deacon, please think of it as part of your stewardship giving. Give of YOURSELF for the future of our church.

Second Corinthians 9: 13-14 says that your "giving of yourself" on behalf of Christ's love to the church enhances God's grace and is an indescribable gift to God!

"Because of the service by which you have proved yourselves, others will praise God for the obedience that accompanies your confession of the gospel of Christ, and for your generosity in sharing with them and with everyone else. ¹⁴ And in their prayers for you their hearts will go out to you, because of the surpassing grace God has given you. ¹⁵ Thanks be to God for this indescribable gift!"

May you find a way to participate in the flow of the Spirit and participate with your church family in any way possible. I look forward to seeing you here!

God bless you and keep you!

Love and peace,

Pastor Cindy

Roses Health Ministry

Promoting Health, Healing, and Wholeness

May is Melanoma/Skin Cancer Detection and Prevention Month. June = Cataract Awareness Month. These are just a couple of the National monthly health related themes bearing important information for healthful living.

The evidence shows, prevention is key to good health and aging well. Healthy aging includes staying active, staying connected, maintaining a healthy diet, exercise, promotion of continuous learning, managing stress and the routine maintenance of any existing health conditions.

In line with this and the Mission of our Church as a sanctuary for healing and wholeness, faith and life in the community of Santa Rosa, we have begun a new Health Ministry. Our Health Ministry team is composed of Christie Page and Deborah Baker. They are both Master's Prepared

cus on Palliative and Primary Care of older adults. She has an additional Board Certification in Hospice and Palliative Care and promotes health, dignity and quality of life in patients with multiple chronic conditions.

Christie works at the State level to develop policies related to the care of older adults. Christie and Deborah bring their love of Health, Healing, Wholeness and Older Adults to share with this Congregation.

The Health Ministry Team will work in conjunction with the Pastor, Session, Deacons, and other caring committees of the Church to develop programs and projects that promote the health of individuals, families, the congregation and the surrounding community.

We will be contributing to the monthly newsletter and providing monthly BP screenings during coffee hour the 4th Sunday of the month. Each month we will incorporate a health related theme that will give information that empowers individuals to take charge of their health and well-being. Home and hospital visits will also be made upon request—either from individuals, the pastor, Session or from community

COMMITTEE UPDATES

Through the month of April, expenses are right on target with the budget, but income is approximately \$7,000 below budget, mostly due to a shortfall in non-pledged income.

The Santa Rosa Suburban Kiwanis Club will present their Distinguished Service Award to Pastor Cindy in honor of the Montgomery Breakfast Program. This presentation will occur at the Kiwanis luncheon on June 20th at Charlie's Grill. Other members are encouraged to come to support Pastor Cindy and the work of the church and admission is \$30 to cover the price of the luncheon.

We have received two grants totaling \$2,200 for the Community Garden, which will allow reimbursement to Pastor Jonathan Bravo for the drip system he installed. Congratulations to the youth leaders for their effort to make this happen.

An anonymous donor has pledged \$4,800 funding for one year to cover the daily treats we are supplying for the Boys & Girls Club members. Congratulations to Gwen Christiansen and Connie Norris for the work they have done to make this possible and a sincere thanks to our donor.

We have reached the end of our regular school year. We are getting ready to say goodbye to many of our friends, some for just the summer, but many are leaving us to start kindergarten in the fall. We held our Pre-K celebration and celebrated the achievements of 25 children. We look forward to welcoming new children and families when we start our summer program after our one week break. Over the break, we will be cleaning, reorganizing and redecorating so that we are ready for a summer of fun and learning.

June 14th will be the "all church picnic". Donations of salads and desserts would be appreciated. Please contact the church office, Fellowship committee or Jean Leuty. In May this committee provided food for the Spring Fling. A memorial was served for the family of Rev. Dr Ted Crouch.

As a result of the Deacons' Buddy Program, we have identified a real need for transportation help in our membership. If you are willing to pick someone up on your way to church and deliver them home again afterward, would you please contact either Ellen Marks (539-8390) or Cindy Goede (544-3974) so that we can connect you with a rider. This isn't an every-week commitment, but an occasional ride so that those without transportation can still attend church and worship with their friends. If you need a ride, please call Ellen or Cindy.

Church of the Roses Breakfast program to be honored by Kiwanis at local event. The Reverend Dr. Cynthia Alloway, "Pastor Cindy" has been invited to accept a Distinguished Service Award in

recognition of the Montgomery High School Breakfast program. Now in its 15th year, the program regularly provides a variety of free healthy food for approximately 100 students each day school is in session. Staffing is accomplished entirely with volunteers.

Awards presentation is a key part of Kiwanis Governor Alan Guire's Official Visit to Northern California. The event takes place June 20 at Charlie's Restaurant, Windsor from 9:30 to 12:30.

Church & World

Please keep the Haiti Mission trip team in your prayers as they go to serve the orphans in two orphanages. They will be building a chicken coop, doing a Vacation Church School Program, playing with kids and helping repair a school.

COMMITTEE UPDATES

MUSIC *Notes*

What a wonderful spring season of music we have enjoyed! We all praised God with song through Lent and Easter; and continue to lift up our voices to the Lord. The Chancel Choir and Bellissimo will be singing and playing through the end of June. During the summer, we will enjoy various solos, duets and ensembles. If you would like to participate in the summer music, please contact Barbara McElroy through the church office or on Sunday mornings.

This year's Roses Signature Concert Series came to a rousing close with "Song of Sonoma" (a Sweet Adelines Women's Barbershop Choir). Thank you to all that have supported the Series over the years. We continue to look for new and exciting groups to perform here. If you have any suggestions for next year's Series, please contact Leslie Pillsbury, Anita Pinney or myself.

We are happy to announce that John Bell, preacher, teacher and composer from Scotland will be presenting a weekend of workshops July 10th, 11th and 12th. On Friday the 10th, he will be presenting a workshop on "Spiritual Imagination" at First United Methodist. On Saturday the 11th, John will be at St. Andrew Presbyterian in Sonoma presenting "God's People Sing" followed by dinner and worship. On Sunday the 12th, we will enjoy hearing John Bell preach at Church of the Roses. Please go to the Church of the Roses website to read more about this fabulous weekend and to register.

"Sing to God, with joy and gladness, hymns and psalms of gratitude; with the voice of praise discover that to worship God is good." Refrain from "Sing to God, with Joy and Gladness" by John L Bell.

Buildings and Grounds

The new raised beds have been planted for the community garden! Thanks to Emily and Pastor Cindy, we received grant money to do this, so the project was completed without any cost to the church. Thanks to everyone who built, planted, and installed the beds and drip system.

We are busy preparing for the VCS program Living Waters for the World June 8-12. There are plenty of opportunities to volunteer in any number of capacities. Look for signup sheets after worship service or call Anita Pinney or Kay Webb to find out how you can help.

We are also anticipating John Bell's Imagination In Faith event July 11, 12, 13, a combined event with First Methodist and St Andrew churches. He will be preaching at Sunday worship at Church of the Roses.

The Grief Share program continues through July, perhaps into August; the Monday evening class will take a summer break and be back in the fall with a video series on the Apostolic Fathers. The Sunday Morning Bible study, the Film series and the Book Group will all take a respite before resuming at the end of summer or early fall. Some summer activities are possibly in the offing. We will keep you informed!

Worship Committee

The Worship Committee has enjoyed the seasonal art and variety of liturgists provided under the direction of Jetta Saharoff, the outstanding music under the direction of Barbara McElroy, and Pastor Cindy's creativity in developing engaging sermons and adding dramatic scripture readings and video clips. Ellen Marks and Bob Flandermeyer set up the communion elements each month and Diane Pierce provides communion servers. Nancy Taylor is scheduling ushers and will be setting up a training in June to make sure all ushers understand their many responsibilities. Jim Spahr and Ray Alden are looking for a few good men and women to help augment our projection and sound team. We really appreciate all those who participate in making worship a meaningful experience and invite any other interested folks to join us. We look forward to the preaching of Dr. Jane Spahr and a display of the Stoles Project, scheduled for June 14th.

This is Emily, the Youth Director here. I've been here now for about nine months, from the beginning of the school year until the end. I've had the great privilege of working for Church of

the Roses and I am deeply appreciative of that opportunity. However, it's time for me to move on to new beginnings, which means that I will be leaving the church. I will always be grateful to have been a part of this church community, gotten to know some great students and church members, and really got a feel for

who you all are and what amazing things you do to help this community as a whole.

I thank you all for what you do and for giving me the opportunity to help out. Pastor Cindy and I are already working on finding a replacement for me and redefining the position to include some more things.

You all are precious children of God and I am sad to be going, even though I know it is what God has intended for me.

Thank you all for your support, kindness, and loving compassion.

THE LIVING ROOM

This month we want to highlight the needs of "The Living Room". It is one of several community agencies that this church, through the Deacons, has chosen to support. We have long supported this charity since our own Dolores Borchers was one of its first Board Members.

The Living Room is a day shelter for homeless women and children. It provides a daytime refuge for homeless women when the night shelters are closed. It also provides a refuge for those living in their cars or on the streets. Everyone is served breakfast and lunch which is provided by many community organization including Presbyterian churches. The clients also are provided with a place to get their mail, make phone calls and use a computer. Personal needs items are also given to them. High on the list of items needed are **socks and underwear, and small personal hygiene items.** They also appreciate **note cards and stationery.** **Clothing** is provided for the women and children by a monthly voucher for up to 10 items that can be selected from the nearby

Heavenly Treasures Thrift Store. Most of these items are provided through the generous donations of members of our community. Clothing can be donated directly to the Living Room, but most of it is distributed through Heavenly Treasures.

Also, through the work of Carole Keiner of First Presbyterian, women who are fortunate enough to get housing are provided with some of the necessities to make their new homes livable. Carole and her team collect suitable items from the Santa Rosa community and distribute them when needed. When you are downsizing, look at the items you have and see if they would be useful for someone who is getting a very SMALL apartment. **Kitchen and bed and bath (towels, sheets, blankets, pillows) items** are greatly appreciated.

Any items that you wish to donate may be left in the designated box in Campbell Court. Any larger items (but not too large) Una Skelly will be happy arrange for pick up and delivery. You can leave a message with the church office. Thank you for your continuing support of The Living Room.
