Consolidate your Giving to the Church of the Roses

BY PASTOR CINDY

"The point is this: whoever sows sparingly will also reap sparingly, and whoever sows bountifully will also reap bountifully. Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver."

2nd Corinthians 9:6-7

Research shows that those who are generous givers reap great benefits in body, mind, and spirit. An article in the Chicago Tribune reports:

"If there's a magic pill for happiness and longevity, we may have found it. Countless studies have found that generosity, both volunteering and charitable donations, benefits young and old physically and psychologically."

(For the full article: <http://www.chicagotribune.com/lifestyles/health/sc-hlth-0812-joy-of-giving-20150806-story.html>)

Where to give your money and time may be hard to discern since there are so many requests. Every day in your mailbox and in your email you receive pleas for donations from other non-profits who want your money to: Save the Earth! Feed the Hungry! Help the Hurricane Victims! and Save the Children! All of them have very appealing images and themes that pull on your heart-strings. However, you may not be able to verify how your donation is being spent and more of your money may be going into the fancy mailings than you know.

Here is the answer to that dilemma! Giving to the Church of the Roses gives you a chance to not only serve and help: needy children, the hungry, and victims of disaster, but by giving to our church, you can verify exactly how your money is making a difference for the benefit of our whole community and world. Investing in our whole church's future is the best way to give and serve and help our church be a resource of love and compassion for many years to

come.

Our church not only provides physical needs but it promotes spiritual growth while being a clear reminder to all in the region of God's love and hope. We sincerely provide a sanctuary for healing and wholeness unlike any other institution or "charity" in the area. The Church of the Roses believes in educating all who want to attend our classes about the Bible, about how to avoid being scammed, how to do CPR, how to plan for your future with an Advanced Directive and other long term planning. We know people have social networking needs and we do all we can to provide or connect people to the positive social resources needed for all ages and stages in life.

I HAVE A SPECIAL REQUEST

For this year, please consider funneling your funds for needy causes to our church rather than spreading them far and wide. We need your funding to continue to feed hungry children, to work for disaster relief in Texas and Mexico, and to help our church buildings provide a space to worship in a healthy "green" environment that benefits not only our own health when meeting here but helps the health of the whole earth when we upgrade with energy efficient lights and appliances. The more you give to our whole church, the more our church can give and serve those in need.

Our number one hope is that you get involved personally in something new this year. Maybe you will join the Worship committee and help us design worship services that attract the "unchurched" in our community. Maybe you will join our Church and World committee to help us participate in a "Faith Build" where churches come together to build a home for a needy family in Santa Rosa. Maybe you will join an MHS breakfast team to help us provide healthy brain energizing food to hungry students. Maybe you can help us find new ways to receive donated food so we can serve even more protein to those who come to our doors for free bags of food every month, or find a way to enhance our fresh

fruit supply for the kids snacks at the Boys and Girls club. Maybe you also can give an extra \$50 dollars a month to enable our church to hire a fulltime staff with benefits for Cassie's current half-time position. Giving more \$ a month will help us provide some benefits for our wonderful part-time staff so they feel appreciated by our church.

All of these ways will help our church go into 2018 stronger with more funding that enables us to do even more to care for our church family and community.

ONE MORE REQUEST

To continue to be a bright shining star of hope in our community we need to upgrade our facility, too. Please consider giving to our Capital Reserve fund **along with your pledge** this year so we can address some of our facilities' needs, such as: upgrading the handicapped accessible bathrooms, replacing the old permanently stained carpet with new carpet squares that can easily be replaced if stained, replacing our freezer in the kitchen, repairing the roof gutter system along with many other renovation needs in our buildings.

Every dollar you spend can be tracked through our church budgeting process. So don't hesitate to ask for a copy of our finance report to see how your donations are spent. We are totally transparent in our funding and spending unlike many other non-profit organizations. God is good and I'm confident that God will carry us into a bright future. But God works through each of us to make that happen by creating us to feel happier when we give more and more generously! "Those who are happiest are those who do the most for others." (*Booker T. Washington*)

"Wow! I loved my first Sacred Space worship experience. I had been under the impression that it was an alternative to a morning service. In fact, it was an intimate and enriching service and a beautiful way to close the weekend. It didn't feel as if I attended two services in one day. The morning service felt like an injection of strength and the evening service was a warm hug. Looking forward to the next one! ~ Ruth Canniff

BUILDINGS & GROUNDS

Buildings and Grounds welcomes anyone who would like to join us on Tuesdays as we work around the church. Outside the garden is still producing tomatoes and squash, and Roses need constant attention. Inside we continue to make repairs and keep things clean. Recently we've installed a number of new LED lights thanks to a generous donation, which will save on the electric bill. We meet at 8:30, and take a break at 10 for donuts. 😊

CHRISTIAN EDUCATION

We have TWO Bible study video classes!

Mondays @ 10 am: New Testament.

Wednesdays @ 7 pm: How Jesus Became God.

There will be a Parent Night Out (PNO) on Oct. 20th from 5:30 pm– 7:30 pm.

DEACONS

Your Deacons will be participating in a "Secret Santa" Christmas project through the YWCA this year.

The Sonoma County YWCA is the only facility in the county for battered women. The women "Make a Wish" for a gift. Gifts are then picked up by volunteers and taken to a distribution center. Volunteers then wrap gifts if requested. We are volunteering!

This is a "hands on" project in which we have chosen to participate. In the next Rose Clippings we will tell you about others.

MUSIC

Welcome back to the Choir and Bellissimo! We have had a nice summer and are now ready to "make a joyful noise" in praise of God. Choir rehearses on Thursday evening at 7:30 p.m. All are welcome (no auditions required). We are starting work on a new Christmas Cantata called "What Kind of Throne" created by Tony Wood and Michael Farren. It is a very exciting new composition, so save the date of December 17th. Invite all your friends and family for this wonderful celebration of our Lord's birth.

Bellissimo rehearses at 6:00 p.m. on Thursday evenings. An ability to read music is required (I can teach you how to play the bells). We currently have 14 ringers, so we are hoping to expand our set of bells. If anyone knows where we can borrow the fifth octave of bells (or where we can buy a used set at a reasonable price), please let me know.

Our 2017-2018 Roses Signature Concert Series will start on October 22 at 2 p.m. with Cantiamo Sonoma. Our own Bill Morgan is one of the bass singers in this fabulous choral group; so don't miss this opportunity for an afternoon of great music! Other artists in the series include: North Bay Symfonia, Santa Rosa Children's Choral Academy, Song of Sonoma, Four for His Glory, Folly, Maria Carrillo High School Jazz Choir and Maria Carrillo High School Songbirds.

The February 18, 2018 concert will be a fundraiser for FISH. So bring all of your friends and enjoy a great concert while donating to those people in need in Sonoma County.

Looking forward to an exciting new season praising the Lord;

ROSEBUD PRESCHOOL

We have a great mix of kids this year. We have spent the last month getting to know more about each other. Last week, we traced the kids on large pieces of paper and a teacher with a group of kids decorated each drawing. They had a great time talking about color and type of hair, color of eyes and other attributes. In October, we will begin looking at shapes and numbers. Our quality review is scheduled for October 17 and we continue to prepare for it. We also have a teacher in-service day on October 9. We will spend part of the day on some mandatory training but will have the rest of the day to "dream" about our outside environment.

PERSONNEL

At the meeting on September 12, Pastor Cindy advised that she will be away October 21 – 23, 2017 to attend a Women in Ministry Conference at Princeton. She also noted that her Leadership Santa Rosa class began on September 14, and will be monthly through next June. On September 21 she will be attending a Leadership Cohort at the Windsor Presbyterian Church, which group will also meet monthly.

Gene Michel is resigning from the committee because of outside conflicts. He has served the committee for many years as both Chairman and faithful member. We wish Gene well as he moves forward. Gary Smith has joined the committee.

LEAVE A LEGACY

by Linda Burille

We ask that you consider being mindful about remembering to include the Presbyterian Church of the Roses in your final estate plans.

Gifts through a Will or a Trust

The most straightforward gift is a specific cash bequest, which can be worded:

"I bequeath to the Presbyterian Church of the Roses, 2500 Patio Court, Santa Rosa, CA, the sum of \$_____."

If you are worried about naming a specific sum, you can alternatively use a percentage, such as:

"I bequeath to the Presbyterian Church of the Roses, 2500 Patio Court, Santa Rosa, CA, ___% of my residual estate."

This language also works to give the church a specific asset, such as:

"I bequeath my entire holding of Berkshire Hathaway, common stock, to the Presbyterian Church of the Roses, 2500 Patio Court, Santa Rosa, CA."

You will note that in all of these previous examples, there are no restrictions made on the use of the funds by the church. However, with the simple addition of language "...to be used for ___", you can direct a specific use such as for mission, capital expenses, mortgage pay-down, etc.

Non-Trust/Will Gifts:

Did you know that you can name a residual heir for a bank account? It's called either **"Payable on Death"** or a **"Totten Trust"**. Your bank account can be titled in your name, with either "payable on death", or "in trust for" Presbyterian Church of the Roses, Santa Rosa, CA. At your death, with presentation of a death certificate to the bank, the funds are remitted directly by the bank to the church. During your lifetime, you still have 100% ownership of the funds.

For more and more of us, our IRA is one of the largest parts of our estate. IRA assets left to an individual are 100% taxable income, which makes them an excellent source for charitable giving because the church pays no income tax. Remember, however, that you cannot designate IRA funds through your Will or Trust. An IRA has its own governing document, and its own beneficiary designation documentation. Specific cash bequests from IRA's don't usually work, but it is perfectly OK to designate a fractional percentage of the IRA to the church. This will not adversely affect an individual named. Contact your IRA Trustee to find out how to make the beneficiary changes. Another asset with a designated beneficiary is a life insurance policy. As with an IRA, you can name the church to

receive all or a percentage of a life insurance policy. Again, contact your insurance company for the necessary beneficiary forms.

For either an IRA or a life insurance policy, the church can be named as a contingent beneficiary. This means that if your primary beneficiary predeceases you, the church can be named as the alternate recipient.

These are just some of the simple ways to remember the church in your final plans. We hope you will consider this an important part of your planning! God be with you!

Finance Update

Operating results are in thru August.

Overall, we should be pleased. Pledged income and non-pledged income is about as close to budget as I have seen in my two years chairing finance. I think the reminder notices we have sent this year, providing our members with an accounting of where they stand with making their pledge has been a big help. If I'm like others, quite honestly I forget as the year unfolds what I pledged so getting a read out showing what I did pledge and where I am relative to hitting my promise is helpful.

A couple of other nice revenue stories.....the Spring Fling was very successful and eclipsed last year handily. Net of expenses it generated over \$3,600; revenue from renting our facilities brought in \$3,259 which is over \$1,300 more than last year thru August.

We continue to manage expenses quite well and our bottom line is about what we expected.

Our annual Stewardship Campaign is about to commence.

The committee will no doubt come up with some clever ways to illuminate and encourage the importance of giving to our church. We have been very generous from the beginning (65 years ago) and there is no reason to think we won't continue to be generous especially when important needs arise. But here's the bottom line and the essence of stewardship for our church.....we need to hit a minimum of \$368,000 in total revenue as we continue to manage expenses. If we can collect \$368,000 in revenue and hold expenses, we will at least generate enough surplus cash to make all mortgage payments (BTW: current balance on mortgage is \$125,000) without having to dip into our operating reserves. Ideally, we can exceed \$368,000 and bring in even more to begin building "capital reserves" which would be held for those major capital items that we all know will ultimately wear out and need replacement, e.g. roof, furnace, kitchen equipment, carpets, etc. Without a "capital

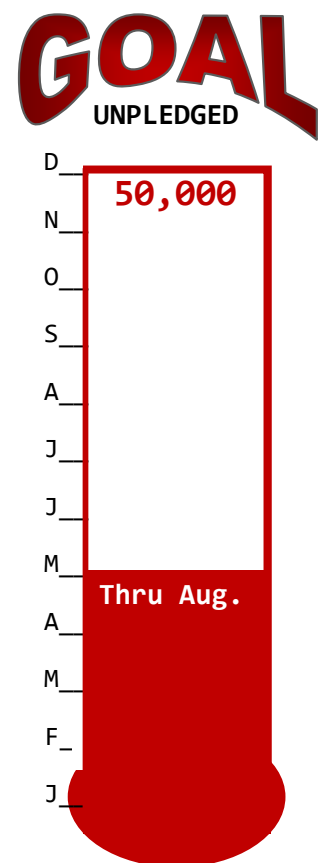

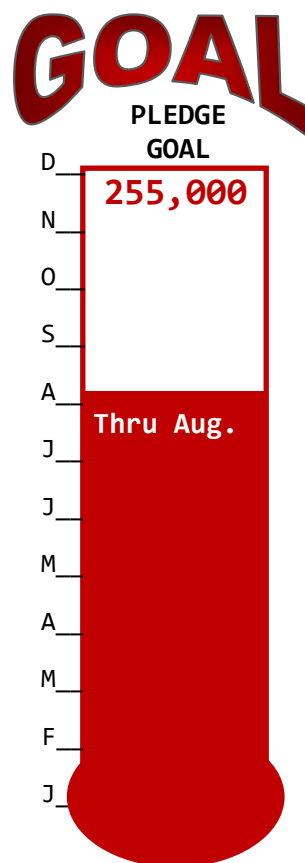

reserve" whenever something needs replacing, we will need to have a special capital campaign.

Now \$368,000 is about \$23,000 more than we are currently budgeting for total revenue for our church. Now if every member (many already do, but not all) could reimburse the church for the per capita or "tax" we must pay up to the Synod (which is \$37/member), that would bring in an additional \$4,000. We will continue to try and develop more revenue from facility use fees and such, but the generosity from our members is where the biggest difference can come from.

The math works out to be 8%!!!! If all givers (pledgers and non-pledgers) can give 8% more in 2018, our church's financial health will improve nicely. What's 8%?? As an example, for a current \$500 annual giver it's an additional \$40 a year or \$3.34 a month; for a current \$1,000 annual giver, it means \$80 more in giving or \$6.67 more per month; and for a \$2,000 current giver it's \$160 more annually or \$13.34 more per month....and so on.

I pray it can be.....
