FALL KICK OFF IS HERE!

by Pastor Cindy

The world needs light. The world needs hope.

The world needs selflessness.

The world needs equality.

The world needs us to show how Christ walked with those that are oppressed and unique, how Christ prayed for all people, and how Christ served humbly.

Let us shine with the light of Christ!

This quote above comes from a daily online devotional I enjoy reading called d365. Various faithful authors write the daily readings reflecting their faith as they apply the scripture to life. (It also has nice music accompanying the prayer time.)

The Church of the Roses will shine with the light of Christ this new church year! We are ramping up for the Fall Kick-off for the church this September 23rd! On September 9th we will welcome 11 new members who are bringing new energy and hope for our church family's future. Our choir comes back to sing and ring the 2nd week of September, too! and the Monday and Wednesday bible classes begin on September 5th and 10th. The classes offered this Fall will be especially interesting as we present: ***Eclipsing Empire*** narrated by famous theologians, Marcus Borg and John Dominic Crossan. The DeathCafe discussion group will resume on September 27th.

As you can see, the Church of the Roses is starting out with an exciting and busy Fall! The Health Ministry is proposing to build a memorial labyrinth healing garden to commemorate those who lost their lives in the October 2017 firestorms. We are looking for funding sources. Please help us find organizations or groups in the community who would like to help us build a nice memorial garden that will enhance resilience while honoring the legacy of loved ones. We anticipate the labyrinth to be a sacred place that will promote a sense of peace and restorative health. On September 26th the Santa Rosa Labyrinth designer, Lea Goode-Harris, will paint a labyrinth in

the style we anticipate building on the grass in our front yard. Join us in walking the labyrinth and experience it for yourself. The labyrinth will be a beautiful outreach out to the community.

Tai Chi and Qi Gong classes are still enhancing strength and peace on Mondays! The Thursday noon Hour of Prayer is steadfast in offering prayers for our church family. Presbyterian Women, Book club and the Sewing group are back up and running with a new church year. The Spirituality of Writing group is still meeting monthly and they welcome new members to join in on their creative sharing.

God is good and has provided us with a newly revitalized sacred space resulting in more new organizations meeting in our facility. Special thanks to the B & G committee as they are still completing the improvements to the walls, doors, carpet and bathrooms!

Our Rosebud Preschool is thriving with lots of new little faces. Our MHS breakfast for the high school students is off to a great start. WE all have so much to be thankful for! Our church is truly becoming a place for healing and wholeness as we continue to reach out to our surrounding community with an invitation to join us for worship, food, and our many activities and events.

This reminds me of a song I heard called, ***"How Can I Keep From Singing?"*** by Chris Tomlin. It reflects the light of Christ clearly. The lyrics go like this:

There is an endless song
Echoes in my soul
I hear the music ring
And though the storms may come
I am holding on
To the rock I cling
How can I keep from singing Your praise
How can I ever say enough
How amazing is Your love
How can I keep from shouting Your name
I know I am loved by the King

And it makes my heart want to sing
 I will lift my eyes, In the darkest night
 For I know my Savior lives
 And I will walk with You
 Knowing You'll see me through
 And sing the songs You give
 I can sing in the troubled times
 Sing when I win
 I can sing when I lose my step
 And fall down again
 I can sing 'cause You pick me up
 Sing 'cause You're there
 I can sing 'cause You hear me, Lord
 When I call to You in prayer
 I can sing with my last breath, Sing for I know
 That I'll sing with the angels
 And the saints around the throne.
 Amen.

CHRISTIAN EDUCATION

These two celebrated Bible scholars, **Marcus Borg** and **John Dominic Crossan**, will be our guides as we begin an in depth study of the writings of St. Paul and the impact they had on the Roman Empire and its culture.

The title of the study is **ECLIPSING EMPIRE: Paul, Rome and the Kingdom of God**. The videos that are part of the class will take us on tours of places where Roman buildings have survived as the two scholars talk about what they have learned. You will have a participant booklet by John Dominic Crossan to read at home to prepare for discussion in class.

The Christian Ed Committee is pleased to offer this valuable study in the Rose Room at both a morning and evening time:

Wednesday at 7 p.m. beginning September 5
Monday at 10 a.m. beginning September 10

Don't miss this opportunity to learn about how Christianity changed a world ruled by a powerful empire. What about the empires of today?

From our Music Director

To our dear church family at Church of the Roses,

It is with deep regret that Don and I announce that we are moving to Red Bluff at the end of October 2018. We have been unable to find a home to buy in either Sonoma or Napa counties and have therefore, looked elsewhere. We have found a lovely home in Red Bluff with room for both us, Hunter and Windsong. Eventually, when we get furniture, there will be room for some guests as well.

We have been blessed to be a part of Roses since 2000 when I became the Director of Music. Roses is filled with wonderful, talented, God-like people. I have always admired the giving-nature of this congregation as exemplified in the Montgomery Breakfast, the many mission outreach programs over the years and the love and generosity shown to the many "fire-survivors" (including us).

I have truly been blessed to lead the Chancel Choir, Bellissimo and the youth choirs of the past. The friendships Don and I have made with all of you will remain in our hearts. The hardest part of this move will be leaving all of you here.

*Love in Christ,
 Barbara, Don and Hunter (the Choir Dog)*

The DreamRiders spent the night at our church on August 18th and spoke in our worship service on August 19th. They shared their personal stories about why the DACA program should be continued and how they are raising awareness with their bike ride from Seattle to San Diego. Thanks to Eddie Seamans and his father, Wayne, who spent the night with the team so they could sleep over in our church building. Thanks to the breakfast crew who fed them a wonderful hot meal: Chris Nelle, Linda Burille, Robert Cortez, and David Nelson. I am also grateful to the Korean Presbyterian church congregation for feeding them supper on Saturday night. All 20 of the DreamRiders said they were grateful for the generous amount of love that the Church of the Roses shared with them.

Church & World

Save the weekend of October, 12th, 13th and 14th for a Habitat Build!!

We are helping Habitat for Humanity (alongside folks from the St. Andrew church in Sonoma), build 2 homes near the Coffey Park neighborhood in Santa Rosa, which was decimated during the North Bay wildfires.

Here's what's happening!

FRIDAY:

- 6-7:30pm potluck dinner at Roses. The evening will consist of sharing a meal, getting an overview of Habitat's work in Sonoma County; sharing from one of the families whose home you'll be helping to build; and then information from our construction site supervisor about what we will be doing, what to wear and bring and a safety talk.

SATURDAY:

- 8:30am – arrive at build site for coffee/donuts, nametags, hard hat and safety glasses
- 9:00 am – start work!
- 12:00noon – lunch break (bring your own)
- 2:30 – clean-up and collecting of all tools
- 3:00 – group picture and go home!

SUNDAY: David Irvine will be sharing the story of Habitat's response to the firestorm losses and present a slideshow of our work accomplished on Saturday.

A Tribute

To those who assist in our Sunday worship services, the ushers, thank you so much for your dedication. Before Summer intentionally slips away and we begin our 10 month "winter schedule", a special Thank You is given to choir member Diane Osten for her 2 months of service in the usher fellowship. As one of our tenors she certainly leaves on a high note.

Also, in NEWS FROM THE PEWS, we heartily welcome Luu Maxwell and Nancy Morgan from the substitute list to regular duty and look forward to a blessed year.

FINANCE

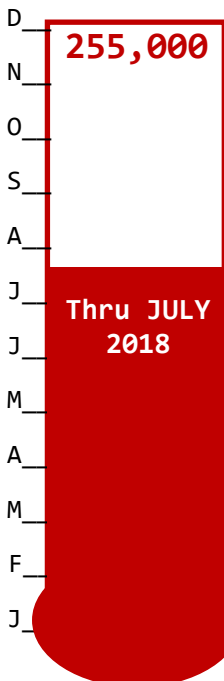

Through July we are tracking just above budget and headed towards nice operating results for 2018 if this trend continues. I'm praying they do!!

There is a possibility that our insurance company may reimburse even more insurance claim dollars resulting from damages when our church was a temporary evacuation center after the fires. This would be a real surprise since we were initially of the impression the check we originally got would be the total claim. If more \$ comes our way this would truly be "pennies from heaven"!!!

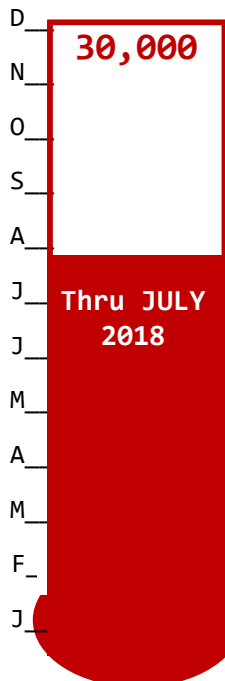

I'll ask/plea again for everyone to be certain to make the "per capita" payment. This is a \$30.21/member tax assessed to every church within PCUSA. We (PCOR) makes the payment which is approximately \$7400 for the year. Our hope is that our members reimburse the church. There is an envelope in your box labeled "per capita" or just use one of the generic envelopes in the pews and write "per capita" on the envelope. Thank you!

ROSEBUD PRESCHOOL

Over the summer, we remodeled our play structure and have grant money left to continue our work on our outside environment. We have said goodbye to the last of the children leaving for kindergarten and TK. We are full with a wait list. Nineteen new children have started. Currently, we have 18 four year olds, 13 three year olds and 18 two year olds. The kids are already learning the routines and rhythms of the room.

We have back to school night on September 20. Our first family event is the Fall Festival on October 27.

Susan Jenkins, Director

Susan celebrated her birthday on August 20th. Happy Birthday Susan!

BUILDINGS & GROUNDS

B&G is making progress on various projects. Please stop by the offices and see the new carpet, which was made possible by generous donations to the capital drive. It looks great!

We continue to work on finishing the painting, and the Campbell court bathrooms, so thanks for your patience. The newly waxed floors in the kitchen, Bowen Hall, and the adult education and classrooms looks fantastic. Overall, the church is looking great.

MEMBERSHIP

The Membership Committee held a new member class on July 22nd with 11 interested visitors attending. This was a wonderful turnout and our hope is that many of these people will be joining the church in the near future.

The Spirituality of the Labyrinth by Deborah Wolff-Baker

"A labyrinth is not a maze or a puzzle to be solved, but a path of meaning to be experienced. A labyrinth's path is circular and convoluted, but has no dead ends. A labyrinth has one entrance — one way in and one way out. While walking the path, one experiences both short and long curves to circle around. Sometimes the walk will take us out to the very edge, and sometimes the walk will take us to the center. We are never really lost, but we can never quite see where we are going". (Alex Pattakos, Ph.D.)

In the Middle Ages labyrinths were used to encourage people to participate in a pilgrimage without committing to the expense or time required by going to a far off place. Labyrinths were created on the floors of cathedrals to help draw people into meditation. One of the most famous of these Cathedral labyrinths can be found in the Chartres Cathedral in France.

Chartres Labyrinth

Santa Rosa Labyrinth by Lea Goode- Harris

There are many different designs and methods for creating labyrinths but in common, they all point to the desire for mindfulness and a deeper connection and awareness of God. The Santa Rosa Labyrinth, created by Lea Goode-Harris who lives in Santa Rosa, is another example of a beautiful design that incorporates 7 circuits and a heart center. For those unable to take an ambulatory labyrinth walk, fingerboard labyrinths are also useful as a meditative and prayerful tool and can be purchased through specialty shops and on-line stores such as Amazon.com.

In many ways, the labyrinth can be looked at as a metaphor for life; a mirror to our journey. Sometimes we walk along the path easily, other times with difficulty. Sometimes we run and other times we may tiptoe forward with caution. We may jump for joy while walking through its elaborate turns and at other times we feel the need to stop, to reflect and to pray. As we walk, our path may be shared with others, or not. Whatever the condition, we are still on the labyrinth path that holds all our life experiences as sacred. The center is always there, even though our path may take us through countless twists and turns. Within the labyrinth, the burden of our life experiences may be carried and shed.

There is no *one* way to walk the labyrinth, and as in life itself, the journey allows for personal and spiritual transformation. Meditation or prayer at the center often asks for grace, forgiveness, and understanding. The outward walk from the center leaves us refreshed, revived, renewed and reminds us we are beloved children of God.

One method of labyrinth prayer includes:

1. As one moves toward the center of the labyrinth the person focuses on letting go of worldly attachments or coming to God with a question.
2. At the center, the person comes to the center of his or her relationship with God. One may linger in the center of the labyrinth, spending time reflecting on one's relationship with God and praying.
3. Eventually, the need returns to move out into the world again. As we walk back out, we are reminded we walk with God, and we return to our lives and places of service renewed.

Spend time in reflection following your pilgrimage or journey.

Another method of labyrinth prayer:

Walk into the center with worship and praise for God, then walk out with intercession and prayer for people and other concerns.

A Labyrinth Poem:

To be a pilgrim means to be on the move, slowly to notice your luggage becoming lighter to be seeking for treasures that do not rust to be comfortable with your heart's questions to be moving toward the holy ground of home with empty hands and bare feet. ~ Macrina Wiederkehr
