Enfold us in your arms, fill us with your Spirit, and empower us to do great things in your name.

\*The Worship committee is exploring ways to streamline the worship services by having the call to offering and prayer of dedication together so the ushers can leave to secure the offering as soon as it is collected. This saves about 4 minutes in the worship service and takes less effort for the ushers. Other Presbyterian churches are doing the same. Please be patient as we see what effect not using the doxology might have on the flow of the worship service.
