## AN EASTER MESSAGE FROM PASTOR CINDY

Dear Congregation,

On April Fool's Day we will shout all together: "He is Risen! He is Risen indeed!" Some people think that only a fool would believe in the resurrection. I believe Christ is Risen because I also believe God created the Universe and all of creation with all its complexity, diversity, rhythm and equilibrium.

If our mysterious and powerful God can create the singularity that caused the Big Bang that created the Universe, then God can resurrect Jesus Christ. The Universe within our own individual immune systems is so miraculously intricate, it inspires belief in an awesome Creator and Sustainer. The near-death experiences that consistently show an ineffable power of love present at the time of death inspires me to believe that the simple message that God is love is true. Despite the random chaos in the world that hits all of us in some way during our lives, God is consistently good and loves us deeper and wider than we can hope for or imagine.

God has created us to help one another when we are hit by chaos, whether it is to support people recovering from fires, provide care when people are ill or dying, or generously give food to the hungry and shelter to the homeless. WE are God's agents of love to a world in need. God wants us to work towards building the kingdom of God on earth as it is in heaven. But it isn't complete yet. We must keep on building and devote energy and resources to God's purpose for our lives through our church and out into the community.

I am so grateful to be your pastor and to be starting my 5<sup>th</sup> year here at the PCOR. Your adaptability, caring hearts, inclusivity, willingness to explore new ways of showing hospitality, and your enthusiasm for supporting our Church of the Roses is inspiring to my personal faith! I LOVE being here and feel blessed to have this opportunity to authentically lead, preach, provide pastoral care, and teach the message that God has called me to share here in Santa Rosa.

Easter is the biggest celebration day in the whole church year! We need YOU to participate and attend all the services and activities you can to help us

celebrate this Holy Season in a big way. Don't miss the fabulous choir Cantata on Easter morning, after the Lenten Wed. night soup and studies, Palm Sunday, Maundy Thursday and Good Friday services.

Nothing and no one gives us a more solid foundation for having hope in our lives than Jesus Christ. As the hymn goes: "On Christ, the solid Rock, I stand; All other ground is sinking sand." Join us as we celebrate our Solid Rock by making this Lenten season and Easter Sunday the best one ever!

With Gratitude for God's Love,  
Pastor Cindy

## COMMITTEE UPDATES

### BUILDINGS & GROUNDS

B&G has been busy working on a variety of projects, including LED light installations, landscaping, repairs, etc. You will also note a few bushes have been removed near the garden due to a bacterial disease, which unfortunately has spread. Some beautiful irises have been planted near the exit to the parking lot. If you're interested in helping, join us on Tuesdays mornings.

Steve Fenner, Chair

### ROSEBUD PRESCHOOL

Our Easter Egg Hunt and activities are scheduled for Saturday, March 24. The activities start in Bowen Hall at 10 am and the egg hunt will be at 11 am. It will be held on the front lawn unless we have to bring it inside because of rain. Friends and family are welcome. The school will be closed from April 2 through April 6 for Spring Break.

Susan Jenkins, Director

### MUSIC

Wonderful news! Our benefit concert "Singing for their Supper" raised \$1050.00 for F.I.S.H. of Santa Rosa! Special thanks to "Four for His Glory", the Maria Carrillo Songbirds and the Maria Carrillo Jazz Choir under the direction of Gail Bowers for donating their exception talents and time! What a fabulous afternoon of music! Thanks also to the Roses Concert Committee and the wonderful people that provided the reception after the concert!

The musical guests at the next concert on March 11<sup>th</sup> will be the "North Bay Symfonia". Followed by the Santa Rosa Children's Choral Academy on April 29<sup>th</sup> and "Song of Sonoma" on May 20<sup>th</sup>.

The Chancel Choir will be presenting "Upon This Rock" by Pepper Choplin on Easter Sunday morning. "This cantata leads us through Peter's experience with Christ: his call, his confession, his denial, his restoration, and his sending out. As we experience the story through Peter's eyes, we are led to ask, "What is our passion? What is our call? Who do we live for?" (excerpt from the composer)

Barbara McElroy, Director

### *A Letter of Gratitude*

*Recently Pastor Cindy asked the staff "who do you think is the most "Christ-like" person you know? As we went around the table, my thoughts turned to the people of this church. I have always admired the willing work you all do for this community; the Montgomery breakfasts, food for the hungry, gifts to flood victims, etc.*

*Most recently, Don and I have been the recipients of your many kindnesses. We have received gifts both large and small from jewelry; to clothing; to chocolate; to letting Hunter join the choir; and money. But most of all we have cherished your hugs and prayers!*

*May the Lord continue to bless you all!*

*February 21, 2018*

*To the Church of the Roses staff,*

*Thank you so very much for the wonderful Volunteer Appreciation Luncheon. We had such a lovely time. The food was so delicious, the table decorations were beautiful, the music was enjoyable and the game was such fun. We are grateful that we are both still able to volunteer to help out at our beloved Church of the Roses. We are also grateful for the wonderful staff. It is a pleasure to work with such talented, dedicated and kind people. Again, thanks for a delightful time on Valentine's Day.*

*Most sincerely,*

# FINANCE UPDATE

Well 2018 has started nicely from the finance perspective. After our first month of the new year we are ahead of budget, as well as same period from prior year, in revenue and we are below expenses (budgeted and prior year). That combination made for a nice surplus/profit. Let's hope this is the beginning of a trend!!

Preview of coming attractions:

For those who didn't know, we submitted a claim to our insurance company for damages incurred while we were an evacuation center during the wildfires. With 30+ people living in our church as well as a number of pets, we had some accidents as a result that stained the carpets.

In any event, Brotherhood Mutual, knowing damages were on old/worn carpeting awarded us a \$24,000+ settlement. We also had previously asked the Korean congregation for some contribution to us for "wear and tear" and they have provided \$1,500. So we have roughly \$25,000 to use on sorely needed upgrades to our carpets throughout the church, excluding the sanctuary. Building and Grounds has been working on a

"revitalization project" and now seeded with the aforementioned \$25,000 we can start making badly needed improvements and not use operating reserves. The list includes carpeting throughout (excluding the sanctuary), interior painting for Campbell Court and all of the hallways, plus Bowen Hall. And, (drum roll) long overdue "refreshening" of the bathrooms off Campbell Court. This will include new fixtures, removal of the partitions, resurfacing the tile, comfort height toilets, drop ceiling, brighter lighting and fresh brighter paint. Both bathrooms will become "unisex" and will have a lock for privacy. And (bigger, longer drum roll) hot water!!!

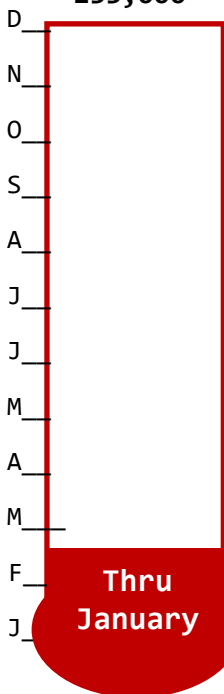

Building and grounds is fine tuning the total project cost but for now I'm guessing \$46,000. With \$25,000 from the insurance settlement and the Korean congregation we only need about \$21,000 more and we'll have a "revitalized" church facility. Having such a great start in funding this project, finance will be arranging for a capital campaign (estimated goal \$21,000) to raise the difference so the total project can be done. We already have a \$4,000 commitment from a member so we're off to a great start! Beyond the great feeling of having a well preserved and maintained church property, I would expect a revitalized facility would be an attractive option for weddings and other outside events which will generate increased facility use fees to the church.

So, please stay tuned for more details concerning the capital campaign and if anyone else would like to pre-commit an amount please let me know because as we launch the campaign to report that we have so much already committed makes the likelihood of a successful campaign more assured.

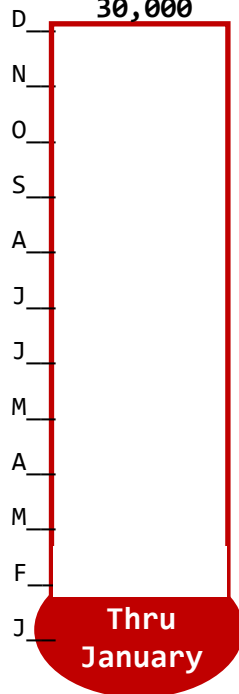

Thank you for your support.

# ESSENCE OF THE ROSE HEALTH MINISTRY

## **YOUR HEALTH: A SACRED MATTER**

Roses Health Ministry hosted a viewing of the film “Your Health: A Sacred Matter” on Sunday February 25<sup>th</sup>, 2018. This film is a documentary chronicling the ways faith and health intersect. **Did you know that those folks who attend Church services actually live 8 years longer on average than those who don’t have a religious affiliation?**

Science has shown the benefits of one’s faith along with mind – body practices such as prayer, meditation, music, gratitude and connection to others on overall health. The first hospitals were founded by religious organizations in an attempt to “take care of one’s own”. With the growth of science, and the belief that science could cure all, practitioners often forgot to minister to the spirit as part of whole person health creating a separation between medicine and religion. This film explores the history of medicine, how various cultures and religions view health and well-being as well as the meanings behind illness, wellness and hope. It demonstrates once and for all, the need for connection of mind, body and spirit in supporting whole person health.

At the intersection of medicine and spirituality in healthcare: Consider these questions and how your view of illness, wellness and healthcare is shaped by your beliefs.

- How does the historic development of our health care system demonstrate that at one time we understood the interconnection of our faith and our health?
- What were the cultural and developmental influences that led to the separation of faith and health; and to the belief that “science is science” and “religion is religion”?
- Do you see evidence that medicine is coming back around to acknowledging a faith and health connection today? Do you see evidence of this in your own medical provider?
- What are the benefits of this belief? Are there down-sides to this belief?
- Where do you recognize the interconnection of mind, body and spirit in your life and health?
- What are mind, body, spiritual practices we can engage in to promote whole person health?
- What are some spiritual practices used by other religions to promote balance and whole person

health? Do these seem “primitive” or enlightened to you?

- In what ways do we “honor God with our bodies”?
- In giving care to another, what has been your greatest challenge? What has been your greatest blessing? Do you agree that care-giving is spiritual work?
- Can a person live with chronic disease or life threatening illness and still be well?

We are considering holding a second viewing of this film later this Spring. Please feel free to discuss these and any health or wellness related questions with our Health Ministry Team to let us know of your interest.

# PSALM

Greetings,  
Creator of all,  
for I am weak  
and you are Mighty.

So many doubts have I,  
to see heartless cruelty,  
Murder  
and pitiless disregard  
of any love of our common humanity.

Only the founding of individual ego run riot  
to the red ruin of blameless lives,  
given up to only a vacant mind, which  
can only conceive of an individual satisfaction  
for rotten desires.

How can the love of our Savior  
penetrate the hatred dwelling in  
such diseased humans?

Yet there is faith.  
There is hope.  
There is a bedrock certainty  
that you are there,  
Listening,

Seeing,  
Working,  
to change the unspeakable,  
to extinguish the hatred of our most base  
thoughts, and curb the most violent of aberrant  
minds.

I know that you are here.  
Stay with me this night.  
Be with me as we confront
