HOW ARE WE FEELING A YEAR AFTER THE FIRESTORMS OF 2017?

We have so many memories that we still carry close in our hearts. Overall, we are feeling: grateful to God for our daily lives that are presently fire and smoke free, in awe of the resilient spirit in Sonoma County, and have a sense of trepidation that the fires might come back our way again.

A CHANGED COMMUNITY

Our whole community of members, volunteers, neighbors, and neighboring businesses at Montgomery Village, pulled together during the fires last year and we are still closely bonded as a result. The "Love is Thicker Than Smoke" motto still describes how Santa Rosa was changed forever as a result of the tragedies. We rallied all our spiritual and physical strength to help those in need during the fires and still find ways to help people who are suffering a year later. Some have PTSD nightmares, others feel lost and have no idea where they will live after their insurance runs out; others come to us for food because they lost their jobs as a result of the fires, and still others are building new homes but feeling both joyful and overwhelmed by the process.

ONGOING RELIEF

Since the October 2017 firestorms, we have provided hopeful resilience enhancing Sunday sermon messages and meaningful worship experiences to promote healing and restoration, hosted a Boy Scout pancake breakfast that raised over \$20,000 to thank the First Responders, hosted another Boy Scout troop to provide a free Thanksgiving meal for anyone who didn't have a place to go for the holiday (but especially for those who had their homes burned), provided \$15,000 to our 12 families, Boys and Girls Club families, our free breakfast MHS student families and others outside the church who lost everything in the fires. We also provide ongoing free individual and group therapy for firestorm victims.

EQUIPPED TO RESPOND

Our church became an emergency shelter for two weeks during the firestorms. We are just now repainting the smoky walls and replacing the carpet after we had over 80 adults, pets, and volunteers using the building 24/7

during those two busy weeks. We gladly opened our doors in the middle of the night that early morning at 3am on October 8th, 2017 when many of the evacuated with no place to go were gathering in the Lucky Store parking lot in Montgomery Village across the street. Many had pets that were not allowed in the county shelters, so we opened our church doors to pets and their caretakers immediately.

Since we serve a free breakfast to 120+ MHS students every day, we had plenty of food to provide a hot breakfast for many days. After that ran out, Worth Our Weight came across the street with delicious food for lunches, the Monty's restaurant in MV started giving out free meals to anyone affected by the fires, individual volunteers and the Redwood Empire food bank dropped off huge boxes of food to us since we were cooking 2 meals a day for our shelter mates and anyone who walked into our doors. The silver linings that rose out of the dark clouds are the good memories of working together with our neighbors and the new lasting friendships we still enjoy.

"WE ARISE" BENEFIT CONCERT FOR REBUILDING

To honor those who suffered in the October 2017 firestorms and to provide restorative healing through music, we are hosting a free combined choir concert and benefit called **"We Arise" on October 6th at 7pm. Allan Petker**, a world renowned composer, and choir director, will be donating his time and talent to leading the choirs in beautiful healing music. During the daytime on Saturday there will be choral workshops held for anyone who wants to sing in the evening concert. **Donations will be collected at the concert for Habitat for Humanity.** The very next weekend on October 13th our church has organized (in partnership with Habitat for Humanity) the building of two homes in the Coffey Park area near West Steele Lane.

A MEMORIAL LABYRINTH FOR THE COMMUNITY

To commemorate those affected by the firestorms and to provide a meditative garden of healing and wholeness, the Health Ministry is proposing the development of a 34 ft Santa Rosa labyrinth memorial garden as a gift to the community that will enhance resilience and restoration. It will be easily accessible since we are located across from Montgomery Village. The existing sign

would remain in place and the garden would be drought resistant. Anyone interested in helping the Health Ministry seek funds for this memorial labyrinth garden project through grants and other resources outside the church, please contact Deborah Baker at: dwolff-baker@gmail.com.

The close partnerships, many meals, shelter experiences, and new friendships are all warm memories we carry in our hearts as a result of the loving compassionate responses to the firestorms of 2017.
The Love is STILL thick!

Church Smiles

There was a very gracious lady who was mailing an old family Bible to her brother in another part of the country. *"Is there anything breakable in here?"* asked the postal clerk. *"Only the Ten Commandments"*, answered the lady.

We encourage all of our members and friends of Philippe to write him letters and cards of encouragement to help him do well in college. He is attending McNeese State University:

Advent

And the Fire came down.
Remorseless,
Moving with the speed
Of Satan's horses, moving
With the inevitability of the Sun,
Consuming all in its path,
Killing Life and Dreams,
Erasing all that a life could
build,
Bringing lives to Ashes,
Crushing faith and hope.
So swiftly changing a landscape
As can be imagined.
Beyond any imagination.

But we remain.
We will endure.
We will build anew.
We will prosper anew.
And when the time comes
To raise the Battle Standard high
To come again to the Fray,
We will not be victims,
But Victors!

HABITAT FOR HUMANITY BUILD

October, 12th, 13th and 14th

Here's what's happening!

The evening will consist of sharing a meal, getting an overview of Habitat's work in Sonoma County; sharing from one of the families whose home you'll be helping to build; and then information from our construction site supervisor about what we will be doing, what to wear and bring and a safety talk.

SATURDAY:

- 8:30am – arrive at build site for coffee/donuts, nametags, hard hat and safety glasses
- 9:00 am – start work!
- 12:00noon – lunch break (bring your own)
- 2:30 – clean-up and collecting of all tools
- 3:00 – group picture and go home!

INTERIM CHOIR DIRECTOR SEARCH

The worship committee has launched a search committee for an interim choir director to step in following Barbara and Don McElroy's departure to Red Bluff at the end of October. The search committee is comprised of *Pastor Cindy, Personal Chair Jim Taylor, Linda Burille, Joy Olsen, Vicki Lewis, Steve Yaeger, and Kay Young*. If you have questions or suggestions, please talk to one of the search committee members.

The Church of the Roses choir is joined by other local choirs and interested singers from the area in a concert at 7:00 p.m. on Saturday, October 6th as a benefit for Habitat for Humanity's building of housing for those who lost homes in last October's fires. The choir will be directed by Allan Petker, a noted composer, arranger, and conductor, who is donating his time to rehearse the combined choirs during an all-day workshop on October 6th and to direct that evening's performance. Please invite friends to join us in supporting this cause and enjoying great music!

World Communion Sunday is October 7th.

Please bring your fabrics and garments from around the world to help us decorate our communion table. Be sure you have labeled the items with tape that identifies the owner and feel free to reclaim your items at the close of the service.

David Irvine will be showing slides of the Habitat for Humanity weekend during the worship service on October 14th.

Cantiamo is performing at Church of the Roses on Sunday afternoon, October 21st at 2:00 p.m. as part of our signature concert series. Kudos to our flower arrangers: *Ellen Marks, Suzanne Hanson, Jo Mulder, and Kristina Teixeira*. Be sure to sign up on the flower calendar in Campbell Court to contribute flowers for the worship service in honor of family and friends.

News From The Pews

We so appreciate the generous acceptance by Joe and Judy Clarke, Linda Wessel and Carol Thornton of ushering service for our Sunday worship celebrations and welcome them in kind.

Thank you all,
Bob Moore, Worship Committee

Committee Updates

FINANCE

We remain on budget and very hopeful that Q4 brings the normal surge in giving. Being blessed shows in different ways. Our insurance company checking in to see if we were satisfied with how the claim (for interior damages sustained when we served as an evacuation center) was resolved provided an additional \$11,000 for the cost of additional carpet we replaced!

We're in the process of fine tuning the upcoming Stewardship Campaign. Look for a letter with your pledge card to be in the mail shortly. With the never-ending increases in material costs, whether its photocopy paper or toilet paper, as well as the very reasonable, albeit modest pay increases for our dedicated staff....church operating costs have gone up. We'd like very much and have set as a goal a 5% increase in giving. We think with just a little effort that everyone can make that work. If you're a \$500 annual giver, 5% is an additional \$25/yr or 50 cents a week; a \$1,000 annual giver would need to find an additional \$50/yr or \$1 a week more....and so on. It's an achievable goal and it's needed.

Thank you as always and never hesitate to ask me anything about our church's finances.

Chris Nelle, Chair

BUILDINGS & GROUNDS

B&G has been busy sanding and repainting the hallway doors, plus putting the finishing touches on the Campbell court bathrooms. We're making progress! The new carpet, hallway painting, updated bathrooms, and newly waxed floors look great.

B&G is always ready for new members.. we have an endless list of projects. If you're interested, talk to me, or come visit us on Tuesdays when we volunteer at the church. (We typically enjoy a donut and coffee around 10am. The donut is our "pay".)

MEMBERSHIP

The membership committee is very happy to announce that nine new members joined the church and were introduced to the congregation on September 9, 2018.

They are **Carol Thornton, David Benefiel, Susan Piernan, Joe and Judy Clarke, Marge Draper, Betsy Yeager, Linda Wessel and Diana Anderson** (not pictured). Welcome!!

PERSONNEL

Attending: Chair Jim Taylor, Linda Burille, Bill Moberly, Roger Wong and Gary Smith.
Also attending: Pastor Cindy Alloway.

The discussion opened with the resignation of the Director of Music, Barbara McElroy, effective as of the end of October, 2018. Her last Sunday with us will be October 28, 2018. To assist us in finding her replacement, Barbara has provided the committee with a list of her current duties. Pastor Cindy advised that there is already a possible candidate interested in the job. Nevertheless, the committee agreed that a Task Force should be formed to review hours and salary, the musical interests of the congregation, etc. Suggested members of the Task Force are Jim Taylor, Linda Burille, Kay Young, Joy Olsen, Liz Rhodes, Steve Yaeger, and Pastor Cindy.

Chelsea Howard has returned as our Sunday School Director, and Pastor Cindy said that her new contract, with the same terms and conditions as her prior contract, has been signed.

Bill Moberly advised that he needs to resign from the committee. We thank him for his many years of service on this committee, both as Chair and as a valued member.

A new member will be recruited to replace Bill.

ROSEBUD PRESCHOOL

The school is in full swing. The kids are busy inside and out. We are eating apples from our trees every day and still harvesting from our garden. We have had our Back to School Night and are looking forward to our Fall Festival on Saturday, October 27. Everyone is welcome to attend.

Susan Jenkins, Director

*September was **DISASTER PREPAREDNESS** month. Here are some disaster preparedness tips.*

Be informed about possible disasters in your living area. Have emergency communication plans & resources on hand.

- Local disaster agencies, shelter locations, ways to get out of your home safely
- Have a clear plan to reconnect with family and friends in neighborhood and out-of-neighborhood.
- Carry emergency phone contacts, a list of your medications, prescribing doctors, and medical conditions.
- Have alternate communication resources in case cell phones, TV and internet are out.
- Sign up for emergency alerts so that officials can communicate with you during a disaster. See CodeRED Mobile Alert app from County of Sonoma for free. There are emergency alert systems that broadcast over radio and TV, and the NOAA weather radio has severe weather information 24/7.

Know what to do if you or other loved ones are away from home, i.e., at work, at school, in the car. Know evacuation routes, communication plan and how to receive emergency notification.

Keep in mind people who may need special preparation and care. Kids, infants, people with disabilities and seniors need special considerations. Consider specific needs : different ages and disabilities; responsibilities for assisting others; locations frequented; dietary needs; medical needs (medications, special equipment); languages spoken; health, cultural and religious considerations; pets or service animals.

Prepare for your pets - Don't leave your pet behind if you need to evacuate (Pets may not be allowed inside public shelters.). Keep a pet emergency kit on hand with food and other important items. Microchip your pets so they can be identified and returned to you even w/o tags (or you may want to invest in a GPS tracker so you can find them). You can download the ASPCA emergency app for free.

Learn emergency skills that can always come in handy - Know how to use a fire extinguisher, perform basic first aid and do CPR . Learn how to shut off utilities in your house in case of a disaster that may damage gas, water or electrical lines.

Know how to help your community during a disaster, i.e., volunteer with local emergency agencies or nonprofits.

Have a disaster plan and a kit, and know how to use them -

Have a family/household emergency plan, and practice it as needed. Things to include in the kit includes basic necessities. FEMA lists 3 basic emergency kits - personal, home, and vehicle. Have the kits assembled and ready to use, and make sure everything is in working order and complete. If you purchase a pre-made emergency kit, make sure you are familiar with its contents

NOON HOUR
OF PRAYER &
ENCOURAGEMENT

A review by Felipa Jones:
Hour of Prayer is not just about praying, but also a very powerful deeply personal sharing experience, which allows us to connect with other

kindred spirits, look at ourselves in different ways, recognize our mutual humanity, and not feel so isolated.

It also allows us to establish a personal meaningful and deep relationship with God in our own unique way, and to feel free to share this with others. It reminds me of very old times, gathering around the fire, when we would tell stories to each other, and we would acknowledge and re-establish our common bonds as spiritual beings, while at the same time allowing for differences and for dialogue.

If you are a Vincent Van Gogh fan you won't want to
miss the amazing film, **Loving Vincent (2017)**.
A large crew of talented artists have created in anima-
tion a story of Vincent's last days and the people he
knew. The faces are familiar to us because they are
people Van Gogh painted. It is as if the subjects have
come to life to tell about their experiences with the
artist. There is information on the DVD about how the
film was created. It's available on Netflix.
