One: Holy God, you gather the whole universe into your radiant presence and continually reveal your Son as our Savior. Bring healing to all wounds, make whole all that is broken, speak truth to all illusion, and shed light in every darkness, that all creation will see your glory and know you as we lift up in silence our hopes, prayer requests and concerns.....*(silence)*.....God of Blazing light, through the power of the cross you shattered our darkness, scattering the fears that bind us and setting us free to live as your children.
