Hope for the New Year, 2023!

By Pastor Cindy

I must admit, 2022 was not the year I thought it would be. I think most of us expected Covid 19 to be gone, the economy would bounce back, the world would have peace, and life would feel closer to “normal”. Surprise! 2022 did NOT live up to our

hopes and expectations. So how do we go into 2023? Give up hope? Not expect any good things to happen?

Our God is a God of hope and wonder. *“We are not to give up hope. Never give up, for that is just the place and time that the tide will turn.”* (Harriet Beecher Stowe)

One way to be hopeful and resilient for whatever is coming in the new year is to focus on being grateful for the good that did happen in 2022. My reunion with my good friend, Dr. Rosemary Mbogo, (in the photo above) is one of the things I am grateful for. In December the Church of the Roses congregation was so gracious and welcoming! She sold all her books about her life that began in a slum in Kenya. People expressed interest in supporting her children’s home called By Grace. Thanks be to God for our faithful church family!

Another recent event I am grateful for is the way our church is showing up to volunteer at our breakfast program and in our worship services. Our church attendance is growing and new visitors are expressing interest in joining! We are still vital to the community of Santa Rosa in many ways and the Montgomery High students are very grateful to our church for supporting them with food and a place to have choir performances and other high school events. The Santa Rosa Children’s Choral Academy is connecting us to new kids and parents in a closer way, too. We are grateful to Carol Menke and her staff for providing a wonderful music program that blesses our church.

Living into a New Year gives us the chance to make changes for the better. Our church can do even more in 2023 to connect to new groups in the community and provide support to those in need. Please consider volunteering for our Sunday school children one Sunday a month. We need you! Our breakfast program is so popular we need you there, too! God provides us places to give so others can live. But giving blesses us as well.

I subscribe to a website: illustratedministry.com. They publish creative coloring pages for adults and children that inspire faith and hope. Here is one for you to color. May you feel a sense of God’s presence and strength for the New Year as you color!

Love and Peace, Pastor Cindy

Saturday, Jan 14th is a totally NEW event for The Boomers, thanks to Patty and John Sanders. The sculptures along Florence Ave in Sebastopol are wild fun and funky. It is about 1 mile walk along the sidewalk and every house has a large piece of crazy junk art. The walk is a highlight on Tripadvisor for things to see in Sebastopol.

Then, we will take a short drive to the Pleasant Hills Memorial Park and pay homage to Charles M. Schulz (Sparky). His memorial is in the Veterans Section, next to the triple fountains. His 100th birthday was in November.

Afterwards, we will meet at Sander's home where Patty has cooked up a huge pot of homemade soup. This is a potluck, so please bring an appetizer, side dish, or items to go along with the soup and/or dessert; also a beverage of your choice.

When: Saturday, January 14th at 3:00 pm

Where: Meet at the Sebastopol Senior Center (167 N. High St., Sebastopol) and we will walk to the Patrick Amiot Junk Art display along Florence Ave.

Afterwards we will drive to Pleasant Hills Memorial (1700 Pleasant Hills Rd, Sebastopol)

HAPPY NEW YEAR

2023

CHURCH & WORLD

Your Church and World Committee had a successful 2022 emerging from COVID and holding its first post-pandemic mission trip to Blue Theology Mission Station in Monterey, as reported in a previous issue of The Rose Clippings. We also saw our MHS breakfast program grow in popularity to over 200 daily hungry mouths to feed.

Volunteer Mission Trips

The committee is excited to be investigating other mission trip options for this year including the possibility for an international mission trip to Kenya so stay tuned.

In the meantime, December saw another successful Alternative Christmas gift-giving campaign, led by Nita Pinney, benefiting several popular charities including the ever-popular Doctors Without Borders and a new addition By Grace Orphanage in Kenya, which Rosemary Mbogo preached about in November when she visited.

Thank you to all of

those who donated to our 2022 campaign which yielded \$2,368 as of mid December.

It has been an honor to chair Church and World the last 3 years. With my term drawing to a close in December Church and World welcomed its new Chair Rhonda Darrow starting January 2023. Please congratulate her on her new role when you see her.

Ways you made a difference this Christmas

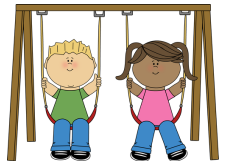

ROSEBUD PRESCHOOL

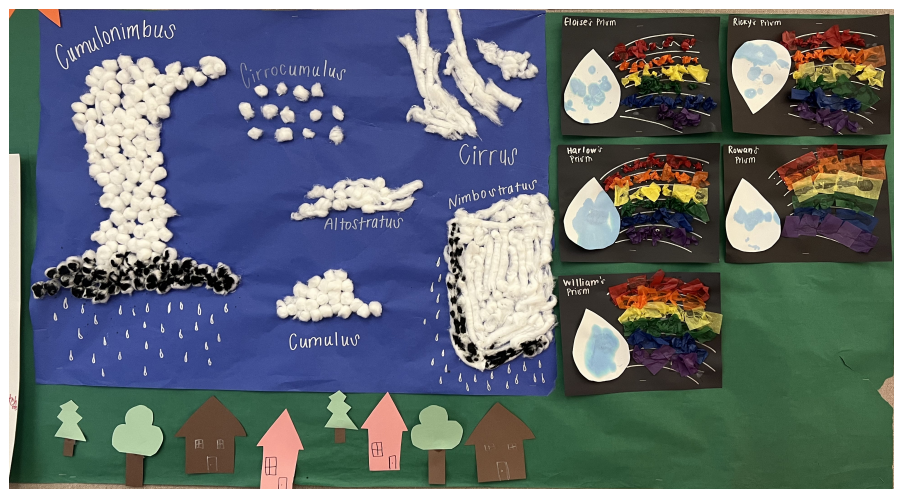

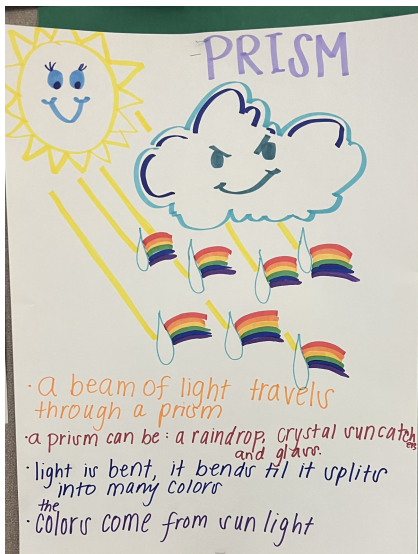

We really enjoyed learning about the different types of clouds that appear and what the shapes mean. We also enjoyed learning about prisms-colors from the sunlight happens when a beam of light travels through the prism, the light is bent splitting into many colors. Some examples of prisms include a raindrop, suncatcher, and glass.

Our teachers have been busy in our pyramid training classes. These classes focus on how we can improve our interactions with each other as well as with the children. We have a trainer who comes in and meets with us to offer tips and help us set goals on how to improve. We have recently learned about PDA's and filling our own piggy banks! Essentially, we have learned how important it is to stop and point out what the children are doing and how they contribute to the classroom. An example would be "Wow, Jane, you shared your blocks with Timmy, you are being a caring friend".

We are also excited that Amber was selected to reregister for the mentor teacher program. We had an observer come out and do an Environmental Rating Scale Evaluation on our program. I am very happy to announce, that the observer let us know we scored above average! When we receive the official results, I will share more information!

We recently hired a new teacher, Ms. Olivia, to help with the transition when Karen leaves for maternity leave in January and Amber steps into acting as director during Karen's leave. Olivia came from a corporate school and is excited to incorporate her skills in a more natural way here at Rosebud! -Karen Arena

FAMILY MINISTRIES & OUTREACH

November was the start of Advent Season and we gave our Littles Advent Calendars to take home and enjoy with their families! As we headed into the last four weeks we focused on HOPE, PEACE, JOY and the LOVE of CHRIST with activities that were interactive and go on their Holiday Trees!

In January we will be going over what New Beginnings look like coming into the New Year and How Jesus helps us get rid of bad habits so we can learn new ones!

Bringing in the New Year with Jesus! February we are going to be focusing on the **Love of Christ**

Volunteers are NEEDED!

We need more Breakfast Angels to keep our breakfast club going every day of the school year!

Please plan to give of your time one day of the week from 6:30am to 8:30am with cleanup after either on a weekly basis or as a substitute when needed. Mondays and Wednesdays are most in need. Call the church office and speak to Raven for more information: 707-542-4272.

A Message from the Personnel Committee

Session began working on our 2023 budget in November. Our first 2023 draft budget showed an over \$80,000 deficit in income over expenses. As a result the finance committee asked each committee to reduce their expenses in hopes of closing the budget deficit. The Personnel committee, being the largest expense item in the budget, has to reduce our staff. We are not giving any staff raises in 2023, we are closing the office one day a week to help reduce staff expenses and regrettably, we will be eliminating the Family and Youth Directors position.

The committee is very disappointed to have to do this, but we had very limited options in reducing our personnel budget. Kristi Gray had done such a fine job of reaching out to the youth who come to the MHS breakfast and families that have been coming to worship on Sundays. We regret that we had to eliminate this position. We wish Kristi and her other non-profit work at NuBridges the very best. We hope we can stay connected.

MUSIC DIRECTOR

From the Director of Music ...

Happy New Year! This is a wonderful time to step up and join the choir! Or maybe you always wanted to play the handbells? Please keep the choir and/or Bellissimo in mind if you're looking for a fun activity that keeps your brain working at high speed! Just find me on any Sunday or send me an email:

carol@churchoftheroses.org

The Chancel Choir and Bellissimo are continuing to come along with me on a journey to try new and interesting music – I'm committed to finding a nice variety of all genres of music for the choir (and hopefully, the congregation!) to enjoy. The **Good Friday Concert** this year will be John Rutter's lovely *Requiem*. The choral ensemble, *Cantiamo Sonoma*, will join us once again, and there will be a small chamber orchestra. Be sure to add this to your calendar Friday, April 7th at 7:30 p.m. – it's one of the gems of the literature.

The *Roses Signature* Concert Series has been very well-received so far, with the Cantiamo concert in October and the SRCCA Choral Celebration the last Sunday in November (this one was absolutely packed – we had to move chairs in to seat everyone!) The third concert is a Piano 4-Hands concert happening on Sunday, January 15th at 2:00 p.m., featuring Marilyn Thompson and

Nancy Hayashibara. Marilyn and Nancy are very busy, well-known pianists throughout the Bay Area and much sought after. Marilyn is on the faculty at Sonoma State University and Nancy teaches at the Santa Rosa Junior College. This is a rare opportunity to hear wonderful piano literature for 4-Hands played by two extraordinary musicians. The repertoire will include Ravel's *Mother Goose Suite*, the elegant *Dolly Suite* by Faure, and more! This one is not to be missed!

DEACONS

The Deacons had their last meeting of the year at the lovely home of Ellen Bowen where we met in person for the first time this year.

Donations from the Deacon fund in November included \$500 to The Boy's and Girl's Club, \$500 to Social Advocates for Youth, \$500 for the Living Room, and \$500 for the Council on Aging.

These donations span folk of all ages from children to senior citizens.. In December we donated \$2,000 to boost the PCOR Montgomery Breakfast Program. A big thank you to everyone who has donated to the Deacon's fund this year.

We could not make donations without your help.

This year the Giving Tree was a success. 22 gifts were filled for the New Bridge program for needy teenagers and 22 gifts for our Senior Citizens in the Council on Aging group. Thank you all for your generosity!

We are excited to present a new opportunity for the Congregation to help women in need by asking you to donate good quality used purses

This program will be called "Diva Day Bags." They will be going to Redemption House and other homeless women. You will hear a great deal about this program soon. A list of items needed to fill these bags/purses will be issued in January.

Buddy Day luncheon will be in March. The date will be announced soon.

Thank you all for your love and support this past year, it has really been appreciated.

Finance Committee

We celebrated Stewardship Sunday with a wonderful meal and the Boy Scouts sold many more Christmas wreaths, too!

FINANCE COMMITTEE REPORT

The Stewardship Campaign for 2023 has come to an end. The budget adopted has assumed pledged income of \$219,000, and total operating income of \$312,450. However, our expenses are expected to total \$347,640, leaving a projected deficit of \$35,190.

To reach these numbers, Session has had to make some difficult decisions to reduce our operating expenses. First of all, there were no raises built into this budget for any staff member, including Pastor Cindy. Secondly, Session voted to close the church office on Mondays, thereby reducing the hours of our Office Administrator. Third, Session voted to eliminate the position of Director of Family Ministry and Outreach. Thus, we regrettably no longer have the services of Kristi Gray.

Together the Finance Committee and Session will continue to examine ways to reduce expenses and increase income. The Fellowship Committee is already planning a Spring Fling Fundraiser which we hope everyone will support. We will also work to find grants to help fund the church programs, such as the Montgomery High School Breakfast Program, or means to reduce office overhead.

The continued financial support of our congregation is more important than ever. If everyone raised the promised support by 10% for the coming year we could significantly reduce the deficit. Together we can keep our church thriving for years to come.

Prayerfully submitted,
Linda Burille, on behalf of the Finance Committee

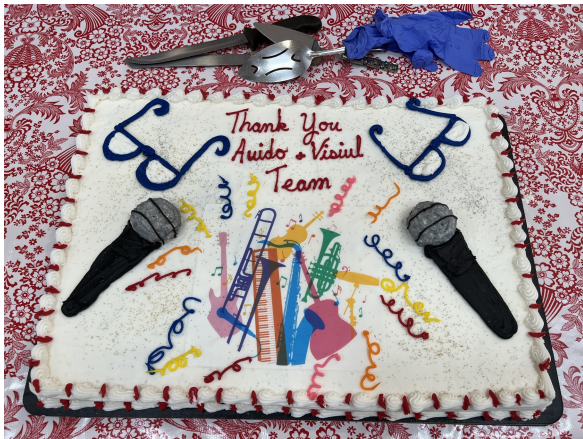

We Celebrate our PCOR Family

We celebrated our beloved Ray Alden's 101st birthday during fellowship hour on November 20th. He commented that the State of California named a highway after his age: 101!

The Audio-Visual team was celebrated Sunday, December 18th. Jonathan Parnell, Norm Smith, Phil Goede, and Nico Wycoff.

CHRISTIAN EDUCATION: CHILDREN & YOUTH

The Sunday school program has seen an increase in children during the fall. There are a few more families with children attending the service and now the children feel comfortable to join Kristi Gray and Judy Clarke for Sunday School. The craft projects follow the children's bulletin and they are well received. Family Movie Night on Friday, November 18 was a success. There were a few minutes for the kids to play with the magnetic building blocks and puzzle solving followed by a pizza dinner. Kristi took the kids down to the Sunday School room to explain the program and showed them several of the crafts that had been completed on previous Sundays. Each child received an Advent calendar and they were invited back on any Sunday. The highlight of the night was the Disney movie, CARS. Everyone including the volunteers enjoyed the funny, colorful movie. Popcorn prepared by Nita Pinney was a huge hit (how does she consistently make perfect popcorn?). A cup of ice cream with whipped cream and chocolate sauce ended the night. It was a small group but everyone who attended enjoyed themselves. On February 10, we will start up the Parent's Night Out again after a long break. Of course, this will depend on health issues which continue to be a challenge. This event lets parents of children from ages 3-10 have a few hours to go out to dinner or do some shopping. The Rosebud Preschool parents are already looking forward to this evening. **We are starting to plan VBS for the week of June 12-16, 2023 from 9am-noon.** The theme is Fruits of the Spirit with an emphasis on ecology and God's message to save the planet. We are looking for volunteers already —this doesn't work without help from our members. We will keep you posted.
