

Our Church

The Presbyterian Church of the Roses was founded in 1952 when local entrepreneur Hugh Coddington donated the land for the church. The original church was built on June 21, 1952 in a little over five hours. The first worship service was held the next day on June 22, 1952. A wedding was held that same day.

The church has grown since its humble beginnings and remains a constant and significant presence in the community. We welcome you and wish you well in your commitment to each other.

Planning a Wedding at Church of the Roses

A Caring, Committed, Christian Community

Love is patient. Love is kind.

It does not envy, it does not boast,
it is not proud.

It is not rude, it is not self-seeking,
it is not easily angered,
it keeps no record of wrongs.

Love does not delight in evil
but rejoices with the truth.

It always protects, always trusts,
always hopes, always perseveres.

I Corinthians 13: 4-7

Weddings are Happy Occasions

Our Beautiful Sanctuary

Congratulations! We hope your wedding will reflect the Christian traditions upon which the Presbyterian Church of the Roses is founded, as well as simple principles of good taste and planning. At the same time, your wedding is your wedding, and the staff of the Church of the Roses will do all we can to make your wedding reflect your own style and taste.

Weddings have personal significance. They represent the culmination of your plans, changes in career, family orientation, and identity. Publicly, the community gathers together to support the families who participate in the joining of the couple and to confer public blessing and approval.

The preparations you make for your wedding service should reflect the deeper meanings of married life, and the service itself should reflect the love of Almighty God whose blessings we ask for in this service of Holy Matrimony.
